

Garden Lake® Water Butt

WATER
SAVING

Attractive wood grain effect tapered shaped water butt available in 200 litre capacity. Manufactured from at least 100% recycled content with a 5 year guarantee as standard.

Both Garden Lake Water Butts are supplied with a hose-connector tap, with a pre-drilled fitting and a child-safe locking lid.

Manufactured using a premium blow-moulded process, these water butts are both tough and durable.

The 200 litre Garden Lake Water Butt has all the features to meet the water category WAT2, Code for Sustainable Homes (Issue ID WAT2, 1 point awarded).

The Garden Lake Water Butts are also available as kits complete with Water Butt, Stand and Rain Diverter.

A range of accessories is also available including stands, rain diverter kits and linking kits.

Product	Capacity (litres)	Overall Dimensions with Stand (mm)
Garden Lake®	200	680 (dia) x 900 (h) x 1230 (h)
