## Optimal Solution For Organic, Waste And Recycling Collection

### Features

- IPL's injection process uses high density polyethylene (HDPE) that yields precise design and consistent thicknesses
- UV stabilized against long-term effects of the sun
- 100% recyclable
- Unibody design requires no bolts or holes that could potentially leak
- Designed for maximum wind stability
- Sophisticated lid design keeps insect pests out of the cart
- Multilingual user instructions
- Ergonomic design allows for easy handling
- Durable wear strips will protect the bottom of the bin
- Standard lip for American and European grips
- Snap on wheels without tools
- Corrosion-resistant zinc-plated steel axle
- Tear drop single piece lid hinge rod

Collection bin for semi-automated  
Type B American and Type C  
European grips, and Type G  
fully automated collection

Ideal for Waste, Recycling  
& Organic collection  
Front or rear load collection  
Noise sensitive areas  
Environmentally  
sensitive areas

## Options

---

Multicolor hot stamping

Vented lid

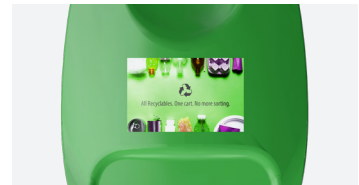

Optional Mantisway lock

Optional 12.7 cm (5 in.)  
IPL plastic wheels

Gravity lock

In mold labeling IML (LID)

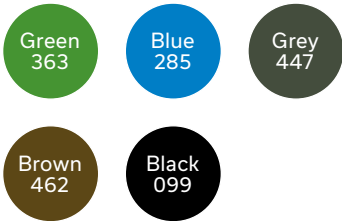

- Hot-stamping or IML, sequential serial numbers and barcodes
- Choice of plastic and rubber wheels (20.3 cm/8 in.)
- Rotating metal catch bar
- Post-consumer resin (PCR)

# Environmental Family Specifications

### Warranty

- 10-year limited warranty
- IPL's high density polyethylene (HDPE) injection molding process yields precise design and consistent thicknesses
- Stands up to inclement weather and impacts; estimated service life of 20 years
- UV stabilized for long-term protection against the effects of the sun
- Most durable cart in North America
- Cart is 100% recyclable, Code #2

### Certifications

When you choose IPL, you work with a recognized industry leader. IPL was the first plastic injection company to achieve ISO 9001 quality certification in North America. The addition of ISO/TS16949 certification further demonstrates IPL's commitment to quality. These quality initiatives demonstrate our capabilities and know-how.
