GRÜÜM  
GRÜÜVY SERIES  
12 US GAL (45L)

## ENVIRONMENTAL

A collection bin has  
never been so well  
adapted, manageable  
and effective for  
high-density cities.

# Environmental Family For Collection In High-Density Cities

Best for use in confined spaces. This product offers a solution to cities and municipalities that have limited space to store collection carts

Ideal for Residential organic collection. Collection in high-density cities  
Diversion of food waste from landfiled

## Features & Benefits

- IPL's injection process uses high density polyethylene (HDPE) that yields precise design and consistent thicknesses
- UV stabilized against long-term effects of the sun
- 100% recyclable
- Unibody design requires no bolts or holes that could potentially leak
- Lid overlaps container for a tight seal which keeps pests and water out
- Dual lid position
- Lid stopping system that locks in position when fully opened
- Comfortable Rounded Handles make the bin easy to carry and empty
- The 5" wheels make the cart easy to roll over a variety of surfaces
- Ergonomic bottom handle grabs make cart easier to empty
- Large footprint means the bins will stand up on the curb, not on the side. Durable, dual wear strips will protect the bottom of the bin
- Durable dual wear strips will protect the bottom of the bin
- Side handles not only make it easier to collect heavy organic waste. They also protect the Wheels from side impact
- Inside, the smooth finish and rounded corners are easy to clean
- Outside, the sandblasted finish hides scratches and help keeping a neat look over time

## Options

---

The optionnal mantis latch is an animal-proof lock system.

Mantis latch efficiency does not mean it's hard to operate. Designed with ergonomics in mind, it's easy to clip back on with the palm of your hand.

We can add in IML for an available option, as well as RFID

### Certifications

When you choose IPL, you work with a recognized industry leader. IPL was the first plastic injection company to achieve ISO 9001 quality certification in North America. The addition of ISO/TS16949 certification further demonstrates IPL's commitment to quality. These quality initiatives demonstrate our capabilities and know-how.
