

POLICY STATEMENT

MATERIALS, CHEMICALS, AND WASTE

PURPOSE

The purpose of this Materials, Chemicals, and Waste Policy Statement (the "**Statement**") is to ensure that Intelligent Packaging Limited Partnership and its subsidiaries (collectively, the "**Company**") complies with materials, chemicals, and waste best practices in countries where the Company is located and/or does business. The Company is committed to conducting business in a safe and environmentally sustainable manner that promotes the health of our employees, customers, community and the environment.

MATERIALS, CHEMICALS, AND WASTE

The Statement outlines our commitment to sustainable and responsible practices in the management of materials, chemicals, and waste throughout our operations. This Statement aims to minimize our environmental impact, promote resource efficiency, and prioritize the safe handling and disposal of waste and hazardous substances, which includes:

- a) **Sustainable Materials Management:** We continuously work towards a sustainable materials management system, prioritizing the use of environmentally responsible and recyclable materials wherever feasible. We strive to reduce the overall consumption of materials through efficiency measures and explore opportunities for circular economy practices;
- b) **Responsible Chemical Management:** We seek to ensure that all chemicals used in our processes and products are safe for both human health and the environment. We work to ensure that hazardous substances are identified, managed, and handled according to applicable regulations and best practices; and
- c) **Waste Minimization and Recycling:** We are committed to minimizing waste generation by working to implement waste reduction measures and promoting recycling initiatives. We aim to divert waste from landfills through proper waste segregation and the establishment of recycling programs; and
- d) **Hazardous Waste Disposal:** We aim to ensure that any hazardous waste produced as part of our operations is managed and disposed of in compliance with relevant laws and regulations. We prioritize safe and responsible disposal methods, ensuring minimal impact on the environment and surrounding communities.

COMMUNICATION AND EDUCATION

The Company will communicate this Statement to employees, contractors, customers, shareholders, suppliers, community and other stakeholders. The Company endeavours to promote best practices to ensure continuous improvement and enhance performance.

BREACH OF STATEMENT

- Failure to comply with this Statement or the neglect of relative responsibilities may result in disciplinary action; and
- Failure to comply with, or neglect of, the requirements of applicable legislation may lead to a criminal offence being committed or legal action against a business unit, and/or against individual managers, employees or directors. Penalties for serious offences may include substantial fines and/or custodial sentences.
