

# Harcostar<sup>®</sup> Space Sava Water Butt

WATER  
SAVING

The Harcostar premium 100 litre Space Sava is a small water butt, ideal for compact gardens. Manufactured from at least 100% recycled content with a 5 year guarantee as standard.

The Space Sava's compact slim design and narrow footprint ensures efficient use of limited spaces.

It is supplied complete with a push-fit lid and standard hose connector tap. The pre-drilled inlets with stoppers allow for easy-fit of rain trap, linking and overflow kits.

The Space Sava is also available as a kit, complete with Water Butt, Stand and Rain Trap.

A range of complementary Harcostar accessories is also available including stands, rain trap kits, linking and overflow kits and fast flow taps.
