

Harcostar® Water Butt

WATER
SAVING

The barrel shaped Harcostar Water Butt is available in three sizes; 114, 168 and 227 litre capacities. Manufactured from at least 100% recycled content with a 5 year guarantee as standard.

The Harcostar® Water Butts are supplied with child-safe lids and hose-connector taps.

They also feature pre-drilled inlets with stoppers for easy fit of rain trap, linking and overflow kits.

All water butts are also available as kits, complete with Water Butt, Stand and Rain Trap.

A range of complementary Harcostar accessories is also available including stands, rain trap kits, linking and overflow kits and fast flow taps.
